[ABOVE] Photo looking north, taken 10/9/2011, of west end of property at northwest boundary of Larwin Mesa View No. 12 subdivision (built in 1971). Wooden fencing (on left) shows placement of original subdivision boundary fencing, erected by the developer in 1975, prior to building the Mira Mesa North No. 2 subdivision in which the defendant's 8491 Menkar Rd. property is located.

This established a 21-inch clearing between adjoining subdivisions that still exists today.

See red encircled area on Attachment 1 (map) for location of this property in relation to plaintiff's and defendant's homes.
